## speaker CLARE WIMBLE

Clare lives in Sydney with two lovely housemates and their cat, Kitty Perry. She works alongside an amazing team at CRU® encouraging school Chaplains and sharing Jesus in chapels and lunchtime christian groups in schools across NSW and the ACT. She loves Jesus, playing with her nieces and nephews and probably has too close a relationship with Netflix and her couch. She is continually blown away by God's amazing Grace in Jesus and rests completely in Romans 8:28, that God is at work in and through her in all things, for His great purposes!

**WALKING WITH HOSEA** This year the Grace Girls and I will be walking alongside the Old Testament prophet, Hosea, as he lives in a world of broken and toxic relationships. We'll see how Hosea's world is a little like our own, as we look at the relationships we have with our family and friends - relationships that sometimes bless, but can often break us. And as we sit with Hosea in the fallout of betrayal and brokenness, we'll meet a God, who in His loving justice will make the wrongs right. A God, who with His relentless love, promises to heal our hurts and call us home, simply because He is a God who says, "How can I give you up?" For He is God, the Holy one, in our Midst.

## speaker JENNY SALT

Jenny is Dean of Students, responsible for the pastoral care of students at SMBC and has been serving at the college for the last 23 years. She loves

seeing women grow in their understanding of the gospel, and to that end, teaching and preaching to women and equipping others to do the same. Before SMBC, Jenny worked as a registered nurse in a Sydney hospital for a few years and then took to the skies as a flight attendant with Qantas. Apart from a continued love of travel, Jenny loves spending time with her extended family and meeting friends for an early morning walk and breakfast.

**RELENTLESS LOVE** The book of Hosea is part of the 12 books of the Minor Prophets. But there is nothing minor about the message. Through the lens of a shockingly dysfunctional marriage, we get a picture of the relationship between Israel and God – Israel's unfaithfulness in the context of their covenant relationship. But alongside this picture, we again see the wonder of grace. We see the God who loves with a costly love, a relentless love, a love that takes us all the way to the cross of Christ.
